Curriculum Vitae

PERSONAL INFORMATION	**Canyi Chen**
	PhD
	Institute of Statistics and Big Data *Email*: cychen.stats@outlook.com
	Renmin University of China, Beijing, China *Homepage*: https://canyi-chen.github.io/

EDUCATION

Renmin University of China, Beijing, China (September, 2018 – June, 2023)
PhD in Statistics

Beijing Normal University, Beijing, China (September, 2014 – August, 2018)
BSc in Mathematics

RESEARCH INTERESTS

Urban informatics – AI-support systems for decision-making and resource allocation tasks
Astroinformatics – Data-driven and machine learning solutions for problems in astronomy
Computation – Computational and approximate methods in statistical inference
Methodology – Fair and trustworthy AI systems in uncertain settings

- Algorithmic fairness, identifying and mitigating data and algorithmic bias
- Uncertainty quantification in machine learning models
